Chapter 4

あき

The white wings I have always aspired after...
The one closest to His Majesty...
One day I will surely become a person like my father
REGUNA!
Ah, Prince Aleutian...
Good morning!
I've been waiting for you, Reguna!!
Huh?

My father said that Klan will bring Reguna to play with me today!
I have been waiting for you even before the sun came up!
Huh?
Let's play!!
Prince...
Your Highness, Aleutian...
This...
Reguna came to the city today to do some work
He should be finished by this evening
We can have dinner together then
Work...?!
Amazing, Reguna!
You're already working!
Rather than saying working, it would be more appropriate to say.
He came to pay a formal visit to His Majesty...
Because he can perform basic divinations.
Oh!

A Master Oracle officer ?
Father did say Kian is a Master Oracle officer Very formidable!
Master ?
Is Reguna the same?
I do not know
Yet .
Kian is father's exclusive Oracle
Will you become my courtier...
Like Kian?
.....
Yes...
I... want to become your courtier

Oh...?
Seems like something is happening outside
What is it?
Hey
Reguna isn't done yet.
Clarine
Reguna is still working...
It's about time for dinner, right?
I'm tired of studying all the time
Are you planning to play with Reguna after dinner?
Then please honor your promise with His Majesty and use the time before dinner to study
.....
lie prone

...What is it?
.....
I am not sure...
But it looks like the knights are preparing to dispatch
Is it bandits?
Probably...
But there are too many for it to be just that.
Prince...
I am going to go check on the situation.
Will you please not leave this room under any circum-stances...

In the end, father and His Majesty are talking merrily...
They have completely forgetting it's already dark
Boring
Basic divinations are...
A really simple matter.
PRINCE ?!
Huh?!
So fast!
He went that way!
rub
rub
I'm sorry to make you wait this long, Reguna.
You really are a great Oracle.
Tha..
Thank you, Your Majesty
He said that I am great Oracle...
But who knows whether we can repair the waterwheel smoothly or not.
By the way, Kian...
Yeah...
Regarding the matter we discussed last time...
In any case, it is just a trivial matter...
If I'm guessing right or if I am wrong, it doesn't really matter in this situation.
Thus the adult's conversation begins once again.
It starts again...

From the mind of a child
It always feels like I can do much more amazing things
The gap between the fact that I can't catch up with my father's steps and my ideals
Added with this kind of estranged feeling due to the inability to keep up with their conversation
90% of my heart is filled up with these things of discontentment
Anyway
And the remaining 10% is
Other than the water-wheel
It seems like there are some other matters
I shall take this opportunity to do a simple divination
Maybe I will be able to see something

Just until their conversation is over, while I have nothing else to do...
Just a glimpse...
crack
shatter

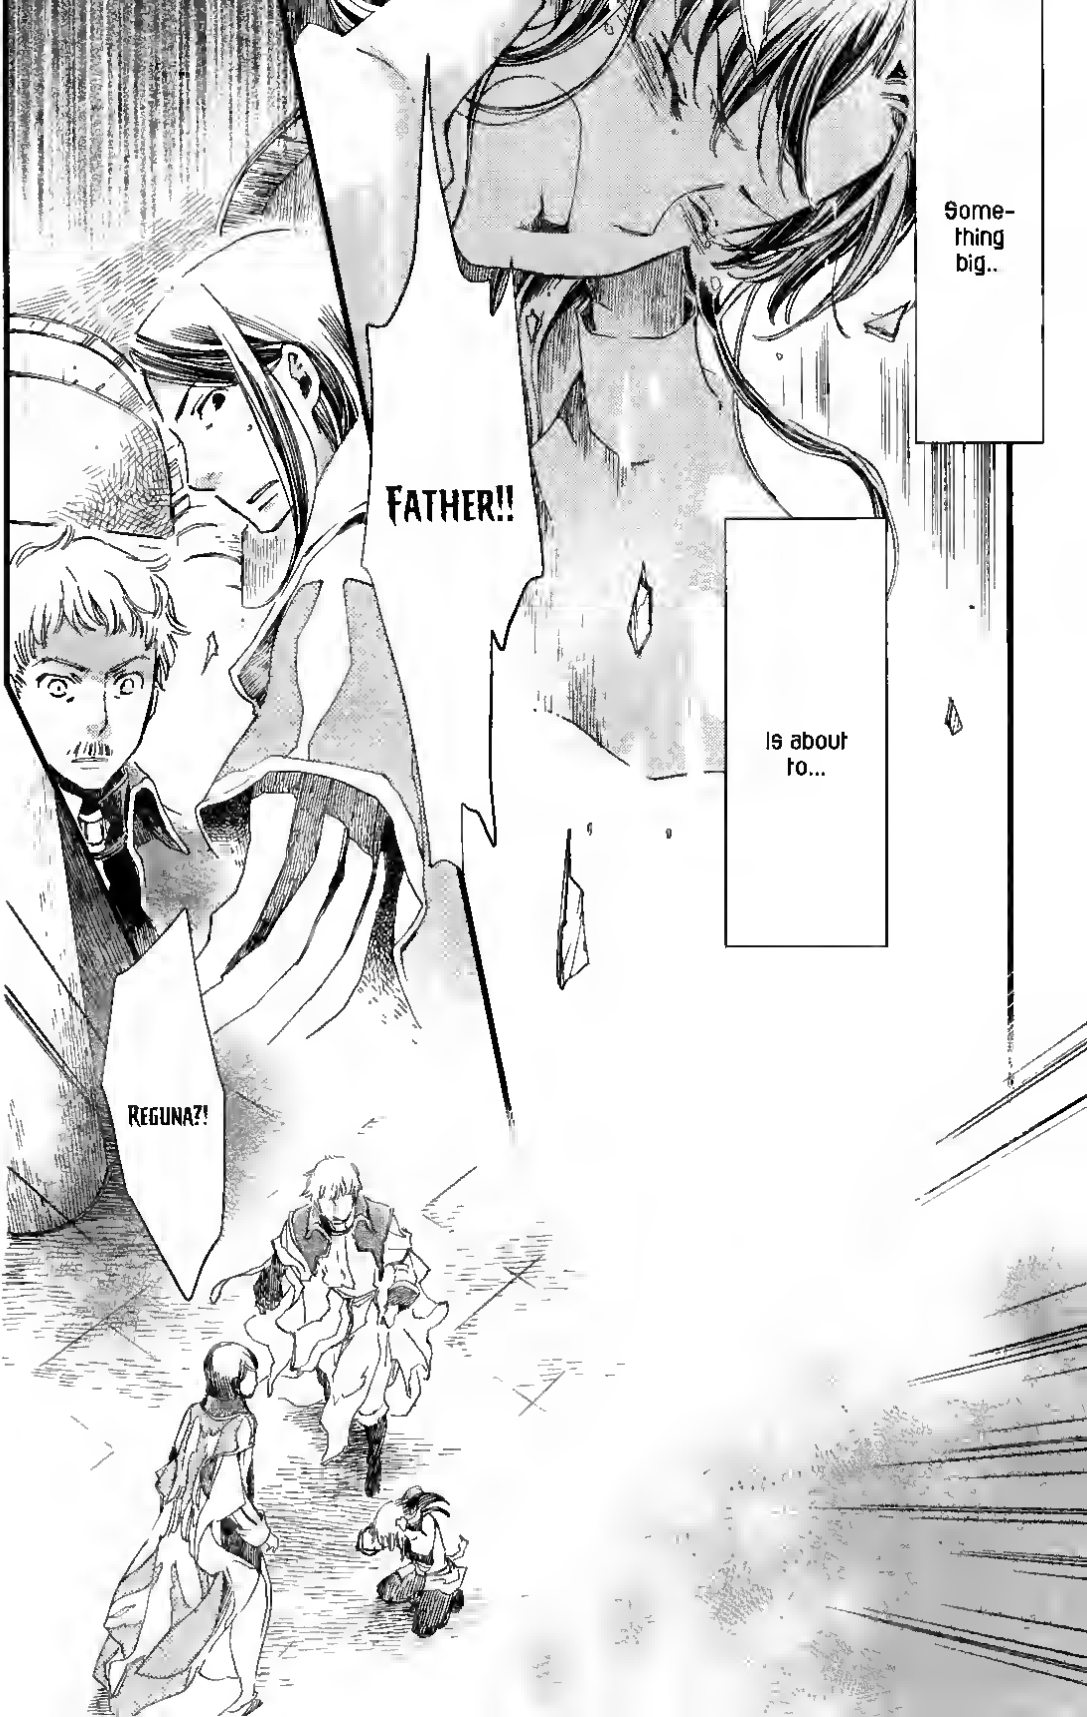
Now that I think about it...

Because humans...

Have limitations,
Throughout this world...

Or exist within a certain range...

In order to prevent them from knowing everything...



Some-
thing
big..
FATHER!!
Is about
to...
REGUNAZ!

What is it?!
What happened?!
What
Could it be...?
Please calm down!
Kian!
Reguna
Calm down and listen to me
Relax. It's alright
Answer me
Where are you?
What do you see?

Where...
Where is this?
There's a strong flood
Of things flowing into my mind
I do not under-stand at all
Calm down!!
Now focus on one thing
What do you see?
A water-wheel?
!
A water wheel
Is it the same Oracle's dream as before?
I think so
This time, it is a bit troublesome
What?!

The water-wheel
A short while ago, I clearly confirmed that it does not have any problems
If there aren't any problems with it, what on earth happened then?
I don't under-stand either
You don't under-stand either?
.....
.No
I just don't understand
....That's it
That's it.
Have you become an old muddle-head?
No, I am not!

I heard about it.
Originally, it is a realm that can only be reached by a person of talent who practices continuously...
But there exist some people who can attain the highest level in one step...
However, for our lineage, it is simply a legend.
A legend...?
Incredible!
.....
Then...
What's the bad part of being an Oracle of legendary class?
We know nothing about it.
If Reguna actually sensed and found something, it would mean something is about to happen.
But even Reguna, himself, does not know

In other words
We have no choice but to leave it to Reguna, who is in this state
So it seems
Alright
grab
Then, send some soldiers to the waterwheal!
Hey! Come with me!
??
Please wait
It's still too early. We still don't know what has happened
Come come!
Your Majesty!!
Send about 15 armed soldiers to the watermill!

Since we don't understand the situation, we first need to check out the place of concern!
In any case, we can't let it go on like this
The burden is too heavy for Regina!
Your ..
If it's not a matter that needs to be handled promptly ..
We can call it a day!
We will investigate it slowly later!
Any objections to that?
Good!
...No... I don't...
Huh?
Alright...
Let's move him now.
How long do you plan on letting your son lie on the ground?!
What do you mean "huh?"
Oh...

You're too flustered
.....
My head is spinning
I'm sorry
I shouldn't act like this
There's no helping it.
Someone come here and help!
But ...
Now I understand how high Reguna's ability is
If you have a high ability, will you be able to see something?
I ... do not know that ...
There is still something that you don't know?
And I even thought that you could see a God
How's that even possible?
REPORTING SIRE!!

We found a great amount of weapons!
In the water-wheel hut .
There are swords and bows all in ready and waiting condition!
THERE ARE ENOUGH THERE FOR A SMALL ARMY!

The wave of chaos, which arose from the oracle's dream that Reguna saw, is...

This is bad ..
